2022 Winter Edition

## We are now an official 501 (c)(3) nonprofit.

We are excited to announce that the Internal Revenue Service has issued an official letter of Determination notifying us the Barangay Club of Indiana, Inc has received nonprofit status as a 501c3 organization. What does it mean to BCI members and organization in general?

- A 501(c)(3) organization is a nonprofit that enjoys special, tax-exempt status.
- The tax exemption granted to these organizations allows them to receive grants from private foundations and from the government. They can provide tax deductions to individual donors and can receive special postage rates, nonprofit advertising rates, and other discounts.

## A LETTER FROM THE EDITOR

Mabuhay!

The fall season is here, and the holidays are around the corner. The end of the year is upon us and there has been so many changes - great things are to come to wrap up the year and even starting for 2023. It has been an ever-changing year and hopefully nothing, but good things will come for this organization.

Thank you for the support!!!

Stay Healthy and Stay Safe,
